

FISCAL NOTE

SB 2837 - HB 3313

April 1, 2004

SUMMARY OF BILL: Requires the Department of Commerce and Insurance to develop an electronic health care record system. Providers are to review at least 90 days of an individual's prescription record prior to filling a prescription. If the record is not available only a 72-hour supply of a prescription drug is to be provided. The system is to be available and in use by TennCare on January 1, 2006 and for all other persons not on TennCare by January 1, 2007.

ESTIMATED FISCAL IMPACT:

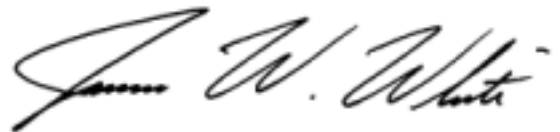

Increase State Expenditures - Exceeds \$1,000,000

Other Fiscal Impact - Increase Federal Expenditures - Exceeds \$1,000,000

Assumes the development of the system for TennCare would be paid by Medicaid funds. The state employee health insurance program would fund utilization of the system for programs operated by the state.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
